Subject: Bank of Wal-Mart

I don't think Wal-MArt should be able to start it's own bank for the simple reason that it does not now shoe any sympathies to any other companies small or large that go out of buisness because of its practices to intentionally make them. i think that a business the size of Wal-Mart should be held accountable for its actions. We do not need a super bank like all the supercenters it has now tryiong to shut down alll the compitition. this is whatWal-Maet does and this is what Wal-Mart will do in all the small towns it has stores in.

Wal-Mart will do anything it can to get what it wants. I don't think they should be able to skirt, bend or try to break any laws.

Thank you for listening, Maureen Barnard Hinesburg,VT
